Alexandria, Va., November 26.—Thanksgiving will be observed here with services at all of the churches, a dinner for the needy children of the city given by the two tribes of Red Men, and special Thanksgiving exercises by two fraternal organizations.

The day also will be marked by a general suspension of business. It will be a day of prayer and fasting, and the children of the city will be given a special dinner at 12 o'clock. Public and private schools of the city closed this afternoon for the Thanksgiving holidays, and will not reopen until Monday morning.

Six Protestant churches will unite in Union Thanksgiving services, which will be held at 11 o'clock at the First Baptist Church. A sermon will be preached by the Rev. C. R. Strauborg, pastor of the Methodist Protestant Church. An offering will be taken up for the Children's Home.

The occupants of the Children's Home will attend the services. Services will be held at Christ, Grace, and St. Paul's Episcopal Churches at 11 o'clock.

At St. Mary's Catholic Church masses will be celebrated at 8 and 10 o'clock. More than 100 needy children of the city will be tendered a Thanksgiving dinner from 12:30 until 2:30 o'clock at the Young People's Building, given by the Catholic and Seminoles of Red Men. The dinner will be served by a committee of women. Ministers will make short talks to the children. Among the special guests of the Red Men will be all of the children from the Children's Home.

Alexandria Council, Order of Fraternal Americans, will hold special Thanksgiving services at its hall at 11 o'clock at night. Among the speakers will be Judge C. E. Nicol and others.

A social session and drill also will be held at Odd Fellows Hall tomorrow night by Canton Alexandria, No. 1, Patriarch Militant. The ladies' auxiliary has prepared a special programme for the occasion.

WOULD HAVE U. S. FEED NAVY OFFICERS AT SEA

Paymaster General Cowie Thinks They Should Be Relieved of the Expense.

FEATURE OF ANNUAL REPORT

That the United States government ought to feed its naval officers when they are on duty at sea is the contention made by Rear Admiral T. J. Cowie, Paymaster General, in his annual report made public yesterday. Admiral Cowie recommends that an effort be made to obtain from Congress the authority and appropriations necessary for relieving naval officers of the expense of paying for their own food when on board ship.

"The present high cost of living," said Admiral Cowie, "seems very heavily upon officers' pay, and besides their customary necessary expenses aboard ship, also have to meet those of their homes ashore. This double expense has to be met, in nine cases out of ten, from reduced compensation, as during the periods they are attached to vessels ashore, together with heat and light allowances and communication charges."

"A further burden incident to sea duty is the frequent entertaining which naval officers have to do as representatives of the government, the unavoidable expenses of which, in nine cases out of ten, have to be paid out of their personal funds."

Admiral Cowie recommends that the number of officers in the Pay Corps be increased, and that appointment of acting assistant paymasters be allowed.

Independent Democrats Must Act or Liquor Men Will Win.

Nashville, Tenn., Nov. 26.—"There is not a shadow of doubt in my mind that the liquor people will dominate the next Legislature if the independent Democrats do not maintain their organization and place candidates in the field in every desirable county," Gov. The address urges the perpetuation of fusion in opposition to expected "Democratic harmony" movements. The governor declares the so-called "harmony" movement last year cost the fusionists control of the Legislature.
